

The background features a light blue-grey gradient with several concentric circles in white, light blue, and light green. Three oval-shaped inset photos are located in the upper left: the top one shows a harbor with boats, the middle one shows a sandy beach with a dark rock formation, and the bottom one shows a blue body of water with green vegetation. The text is arranged in a vertical stack on the right side, with dotted lines separating the first three lines.

Innovative Tools for

Coastal Stewardship

in the New Millenium

N²₀₀₀S
QUARTER
e v e r

Highlights

- Providing training and NOS expertise to coastal communities
 - *Brownfields Showcase Communities*
 - *NGS State Advisor Program*

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

- Transferring tools, information, and knowledge to coastal communities
 - *Marine Spill Analysis System (MSAS)*
<http://www.csc.noaa.gov/products/msas/>
 - *Shellfish Information Management System (SIMS)*
<http://www.chbr.noaa.gov/sims/SimsMain.html>
 - *Ocean Planning Information System (OPIS)*
<http://www.csc.noaa.gov/opis/>

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

Transferring tools, information, and knowledge to coastal communities cont.

— *ACE Basin CD-ROM*

<http://www.csc.noaa.gov/lcr/text/aceweb.html>

— *Protected Areas GIS (PAGIS)*

<http://www.csc.noaa.gov/pagis/html/status.htm>

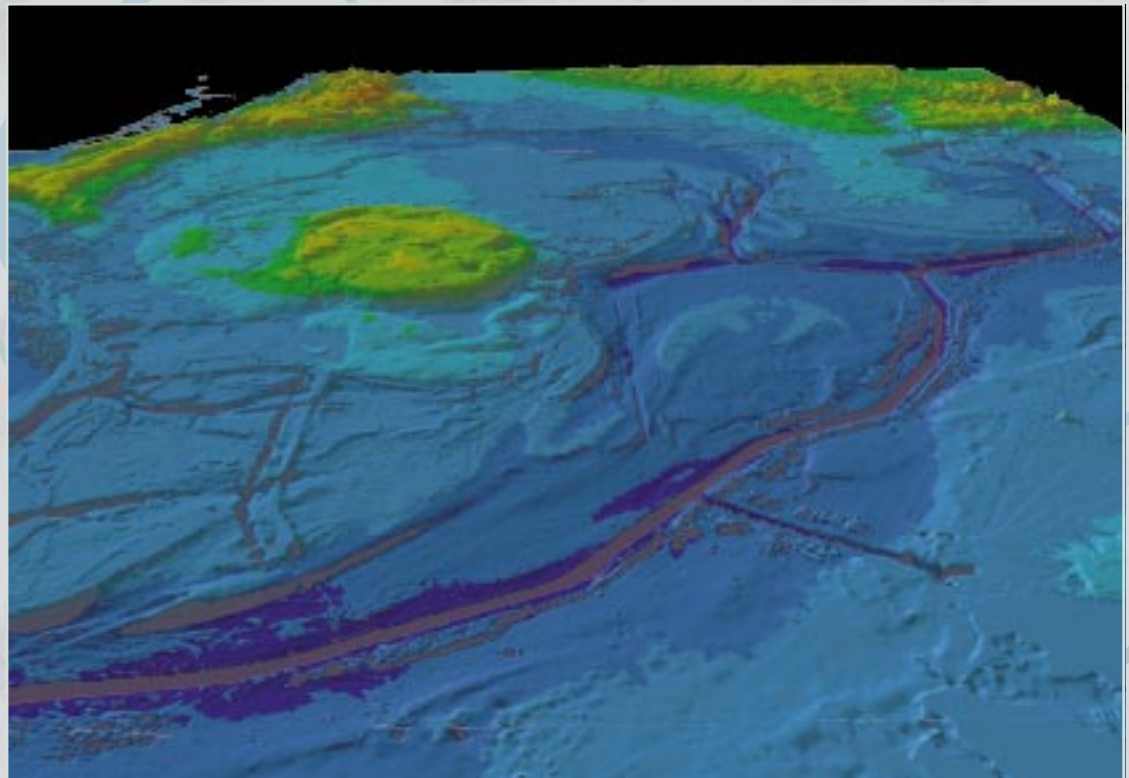

— *Coastal Assessment and Data Synthesis System (CA&DS)*

<http://cads.nos.noaa.gov/>

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

- **USGS / NOAA Tampa Bay Demonstration Project**

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

- **Coral Reefs**
 - *National Action Plan*
 - *Coral ecosystem mapping*
 - *NOS/DOI partnership*

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

- **Science**
 - *NOS scientists discover impacts of DDT in fishes*
 - *Ecosystem health and land loss in Chesapeake Bay*

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

- Building ecological forecasting capabilities
 - *Harmful Algal Blooms*
 - *Eutrophication*

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

- **Thunder Bay status report**
- **Fiber optic cable position**
- **Dr. Nancy Foster Florida Keys Environmental Center**
- **Sustainable Seas expedition to Hawaii**

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

- Tijuana National Spatial Data Infrastructure Project
- Coastal Nonpoint Program approvals
 - *Rhode Island approved 2nd Quarter*
 - *California to be approved early 4th Quarter*
- CZ 2001 planning and support

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

- **Current / ongoing spill response efforts**
 - *Julie N settlement (\$1.2 M)*
 - *Portland, Oregon harbor*
 - *Chalk Point / Swanson Creek Oil Spill*
- **33 spill responses**
 - *20 oil-related, 11 chemical-related, 2 “other”*
- **Technical assistance to 20 high priority CERCLA sites**

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

- Modernization of Great Lakes NWLON stations
- Behind schedule:
 - *Installation of 4 new PORTS*
 - *Maintenance of operational status of NWLON*

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

- **Promote Safe Navigation:**
 - *Ahead of schedule: in-house hydrographic surveys*
 - *Behind schedule: total number of ENC's in continual maintenance*
 - *Third Quarter: two survey contracts to be awarded*

2nd QUARTER
N O S R E V I E W 2 0 0 0

Highlights

Promote Safe Navigation cont.

- *Andrews Air Force Base aeronautical obstruction survey*
- *NOS response to Light Aircraft Study*
- *Behind schedule: shoreline mapping for priority ports and coastal areas*

2nd QUARTER
N O S R E V I E W 2 0 0 0

Other Accomplishments

- **Diversity**
 - *New employee orientation program launched*
 - *NOS rotation program continues*
 - *Succession planning strategy under development*
 - *Third Quarter: Bring a Child to Work Day*

2nd QUARTER
N O S R E V I E W 2 0 0 0

Other Accomplishments

- **Affirmative Action**
 - *National Society of Black Engineers conference*
 - *Partnership with Morgan State University*
 - *Florida A&M University initiative*

2nd Quarter Milestones

- Total reported for FY 2000 **77**
 - *Completed* **9**
 - *Event-driven* **6**
 - *Ongoing* **57**
 - *On hold* **2**
 - *Behind schedule* **3**

2nd QUARTER
N O S R E V I E W 2 0 0 0

Management Issues

- PORTS reprogramming approved by House / Senate
- Transfer of AC&C Program to FAA
- Reimbursable funding for obstruction charting (NGS) and aeronautical charting (AC&C) uncertain
- NMSA and CZMA reauthorization
- Advance payment for rendered federal services

OIG / GAO

- **GAO:**
 - *4 open*
 - *6 closed*
- **OIG:**
 - *2 open*
 - *2 closed*

2nd QUARTER
N O S R E V I E W 2 0 0 0

Congressional Reports

- Behind schedule:
 - *Report to Congress on Administration of the Coastal Zone Management Act (04/00)*
 - *Coastal Zone Management Fund Report (12/99)*
 - *Coastal Nonpoint Pollution Control Program Report (03/99)*
 - *Maintaining Federal Expertise in Hydrographic Services (05/99)*

2nd QUARTER
N O S R E V I E W 2 0 0 0

Interagency Reports

- Behind schedule:
 - *Ecological and Economic Consequences of Harmful Algal Blooms* (11/99)
 - *Assessment of Hypoxia* (11/99)
 - *Northern Gulf of Mexico Hypoxia Plan* (03/99)
 - *Real-time Tide and Current Data in U.S. Ports* (05/99)

2nd QUARTER
N O S R E V I E W 2 0 0 0

Upcoming Events

- **The Coastal Society (TCS) conference**
- **OpSail 2000**
- **MTS regional dialog sessions**
- **Tijuana NERR site visit**
- **NOS all-hands meeting**
- **USGS / NOAA Tampa Bay Demonstration Project**

2nd QUARTER
